

# The Griffin Gazette

The Week of September 24<sup>th</sup> – 28<sup>th</sup>

Email: [allison.griffin@fayette.kyschools.us](mailto:allison.griffin@fayette.kyschools.us)

Website: [thewayoffourthgradethings.weebly.com](http://thewayoffourthgradethings.weebly.com)

## Upcoming Events

9/26/18	Field Trip to LCT
10/4-10/5	Fall Break
10/26/18	Fall Carnival Inflatables from Yankee Candle Sales
10/31/18	Wear your costume to school day!

## Reminders

The lost and found tends to build up very quickly. Please make sure lunch boxes, coats, and jackets have names on them.

We are adding a new special to our rotation. World Language and Chinese will begin next Friday in the specials rotation for the school. 😊

## Our Learning

**Math:** We will be continuing our addition and subtraction unit this week. Subtraction will be our main focus-specifically subtracting with regrouping. (This was called borrowing back in our days!) We will be finishing up this unit right before Fall Break.

**Reading:** We will be continuing to identify the problems that characters face in stories and how they solve them. We will also be looking at the meaning of idioms. We will take a test over these skills on Wednesday and move into a nonfiction unit where we compare and contrast information. We will also be looking at multiple meaning words within this unit and how we decide which definition to use.

**Grammar/Writing:** We are continuing to study what makes a good sentence and how to write a friendly letter. In addition to this, we are also working on writing good paragraphs within our letter!

**Science:** We are finishing up our unit about the birth of rocks. We will complete our mystery about erosion and then move into reviewing all of the information we have learned over this unit. We will take our first science test next week on Thursday.
